

Strut*Foot*

Cushion Clamps

Strut*Foot*'s new cushion clamps are used to support copper refrigeration tube. They are supplied with a polymer insert which allows for a strong grip and absorbs shock and vibration running through the tube. They have a zinc dichromate plating ensures a corrosion resistance.

Part Code	Pipe Diameter	Pack QTY
SF004	1/4"	10
SF006	3/8"	10
SF008	1/2"	10
SF010	5/8"	10
SF012	3/4"	10
SF014	7/8"	10
SF018	1 1/8"	10
SF022	1 3/8"	10
SF026	1 5/8"	10
SF034	2 1/8"	10
